## ADVANTAGES for Indonesians in our school:

- Lower training cost
- Quicker training period (average of 12-15 months)
- Affordable cost of living (rent/utilities/food) in Cebu (average of \$400-\$500/month only)
- Indonesians are the biggest nationality in our school; they will feel right at home.
- Our student-focused teaching style works best with the Indonesian culture; no military-style training.
- We have big Indonesian alumni network, most of them now work in:

- We offer assistance in DGCA License endorsement.

**AIRWORKS**  
Aviation Academy

*Be a Pilot Now!*

*We are the top and largest flying school in the Philippines; students from over 17 different countries, equipped with a fleet of 22 training aircrafts.*

## AIRWORKS AVIATION ACADEMY

Founded in 1993 by Capt. Meynard Halili, the pre-eminent aviation educator in the country, Airworks Aviation has grown steadily through the years to become the top flying school in the Philippines. We are duly accredited by the Civil Aviation Authority of the Philippines as an Approved Training Organization that provides world class flight training, to both local and foreign students.

### OUR VISION

To be a premier Aviation Education-oriented corporation that ensures and delivers standardized flight training programs that produce world-class pilot graduates.

### OUR MISSION

To provide top-notch aviation training program for local and international students.

## WHY STUDY IN OUR SCHOOL?

- The best facilities in the country; world-class aviation technology
- Most number of training planes; latest models
- We are the top and largest flying school in the Philippines; students from over 17 countries
- Best-in-class faculty; very experienced/multinational teaching staff
- The ONLY SCHOOL in the Philippines with Flight Safety International-trained and FAA-Certified instructors
- Cost-competitive tuition fees
- Our graduates have been hired by the leading airlines in the country (Air Asia, Garuda and Lion Air) and abroad
- Very focused on safety
- Owned by Tri-Dharma Holdings Inc., a top 200 Philippine company with over 15 years of excellent business track record in Indonesia. Tri-Dharma is the partner/country distributor in the Philippines for top Indonesian companies like P.T. Indofood, P.T. Mayora Indah, etc.

## WHY BE A PILOT?

- Travel and see the world for free
- Earn really well, whether locally or abroad
- This profession is highly in demand in the next 20 years or more
- Less than 2 years to finish the entire flight training course
- After being gainfully employed, ROI of less than 2 years
- A maximum of only 100 hours a month, 1000 hours a year of flight duty time
- Long, rewarding and fulfilling career

## WHY STUDY IN CEBU?

- Best place for study and life balance; abundance of colleges and universities, shopping malls, public and private beaches, superb restaurant recreational choices
- Very multi-cultural/international
- Good year-round weather
- Proximity to dozens of airports available for training
- Ability to train in a world-class international airport
- Superior scenery around Mactan airport
